

# Motorcycle Ride *Lunch & Learn*

**Wednesday, August 18 • Departing Augusta Civic Center at 9:00 a.m.**

*Join us for a scenic ride to the Presby Environmental, Inc (PEI) manufacturing facility in Whitefield, New Hampshire which includes a factory tour and updates on all Presby Environmental products and approvals.*

Septic Systems of Maine would like to invite all interested participants including the State of Maine code officials, septic installers and site evaluators to join us.

*Six PDH credits for Maine will be available for attending this event.*

**To register for the Motorcycle Ride please contact Brent Lawson at [brent.lawson@maine.gov](mailto:brent.lawson@maine.gov)**

**All others register with Septic Systems of Maine at (207) 782-1620 or email [kemmi@septicssystemsofmaine.com](mailto:kemmi@septicssystemsofmaine.com)**

The motorcycle ride to Whitefield, NH is optional. Other transportation options include flying into the White Mountain Regional Airport, located adjacent to the Presby Environmental plant or of course by car.

*Please note: Masks will be required and available during the tour for those who are not vaccinated.*
